

MARLON LONGLIFE CS WARRANTY

Brett Martin Ltd issues the following warranty for Marlon Longlife CS corrugated polycarbonate sheets as outlines in paragraphs A and B, subject to the limitations and exclusions listed herein.

A Light Transmission

A 10 year warranty relating to the following properties:

For a period of 10 years, the yellowness index, measured in accordance with ASTM D 1925-77, shall change less than 10 delta in comparison with original value.

For a period of 10 years the light transmission, measured in accordance with ASTM D 1003-77, shall decrease by no more than 10% in comparison with the original value.

B Weather Breakage

A 3 year warranty relating to the following properties:

For a period of 3 years, no breakage will occur due to the direct impact of normal weather against the UV protected surface of the sheet. Claims for hail damage will be evaluated using a hail simulation test, ref. EMPA 1368761. Any sheet tested and which remains unbroken by impact from artificial hailstones of 20mm diameter, with surface impact speeds of 21m/s, will not be subject to any claim.

General Conditions

- 1 The commencement date of this warranty is the date of original purchase and remains valid to the original purchaser only. Claimants must provide a receipt indicating the proof of purchase date.
- 2 Any other claims for damage or loss, either direct or indirect, or consequential whatever the cause thereof, are expressly excluded from this warranty.
- 3 The warranty remains valid only if the sheet has been correctly stored, handled, installed and cleaned as recommended by Brett Martin.
- 4 Brett Martin Ltd, or its authorised agent, must be notified of any claim immediately and not later than 28 days after the alleged failure. The claimant must allow an inspection of the installation site prior to the removal of the sheets from their original position. In addition, Brett Martin Ltd reserves the right to investigate independently the circumstances of failure, including checks with the local meteorological survey and others.

Samples of the sheet must be provided for testing if requested by Brett Martin Ltd.

Limitations and Exclusions

- 5 This warranty applies only to sheets, which have been maintained in a scratch-free condition and have not been in contact with chemicals, paints, adhesives or other incompatible materials.
- 6 This warranty only applies to sheets, which have been installed with their UV protected side facing up, therefore being the side exposed to solar radiation and normal weather conditions.
- 7 This warranty is not valid for sheets, which have been thermo-formed or altered from their original profile and state.
- 8 For the warranty to remain valid, the sheets must be installed in accordance with the manufacturer's recommendations and these include:
 - i maintaining proper purlin spacings;
 - ii full adherence to fixing recommendations with the avoidance of over-tightening of screws;
 - iii sheets must be stored under opaque cover at all times;
 - iv cutting, drilling and handling as advised by Brett Martin Ltd;
 - v specific details for curved installations;
 - vi all other information contained in labels and publications relating to Marlon Longlife structured sheet.
- 9 In the event of an agreed warranty claim, Brett Martin Ltd reserves the right to supply new sheets free of charge or issue a refund to the purchaser for the original purchase price of the affected sheets. All further claims are excluded. Processing and installation costs are expressly excluded from this warranty.

This warranty only applies to Brett Martin's Marlon Longlife CS Corrugated Sheet.
